## Principal's Message

Good Afternoon RHD Families -

### An Important Parent/Guardian Meeting

Next Tuesday I will be hosting the last Cocoa with Keller for the year on March 28th at 6:30 PM. These gatherings are intended to receive feedback from families regarding our Single Plan for Student Achievement, or SPSA, which our Site Council creates and approves. This will be the first in-person gathering for RHS parent/guardian feedback in three years, but a virtual option will be provided. Topics that will be discussed with other feedback/conversations welcome:

- RHD 2023-2024 SPSA & CA Healthy Kids Survey Results
- SRO Justin Hanks providing information regarding campus safety and our DARE program
- 5th grade campout and fundraising for 6th grade Science School
- May 5th Career Day information

Please join to provide input and hear about plans for next year!

Join Zoom Meeting:

<https://pgusd.zoom.us/j/89920629378>

### **Spring Break and Minimum Day Reminder**

On Friday, April 7 there will be a Minimum Day with all students being dismissed at 12:10 PM. Spring Break is from April 10-14.

All Lost and Found items will be donated after April 14th so please check for items left behind.

### **Volunteers Needed for Career Day**

We need parent volunteers to share their careers with our 5th-grade students. Volunteers are to contact Mrs. Frudden, at [sfrudden@pgusd.org](mailto:sfrudden@pgusd.org). A meeting will take place in March to inform volunteers of the details. We are looking for a variety of careers to share with our 5th-grade students. Your presentation can be about 10 minutes in length. You will have the option of recording your presentation, presenting via ZOOM while on the job, or in person.

### **RHD - Active Student COVID Cases**

#### **As of March 23**

*2 students, Mrs. Johnson's Class*

*1 student, Mrs. Dacuyan's Class*

## Volunteer & Chaperone Clearance

If you plan on being a **VOLUNTEER** on campus or a **CHAPERONE** for a field trip, please be sure you are fingerprint cleared with our district and submit a copy of your **COVID vaccine card** to the District Office. To make an appointment at the District Office please call Kimberly Ortiz at 646-6553.

Before coming to campus to volunteer, please check with your child's teacher to schedule a time that works best for them.

---

## Office Reminders...

1) Please have your child to school on time. Gates open at 8:30 AM. Warning bell rings at 8:40 AM. **Final bell rings and instruction begins at 8:45 AM.** When a student is tardy it is disruptive to the office and classroom. In addition, students miss important information and announcements from their teacher first thing in the morning.

2) Did you know that you can report your child's absence with your ParentVUE app? Simply log into your ParentVUE account to send the office a message about why your child is absent.

### **\* Ways to report a student absent \***

- a) ParentVUE app
- b) 24 Hour Absence Line (831) 646-6663
- c) Email Annie Deis at [adeis@pgusd.org](mailto:adeis@pgusd.org)

3) Please make sure to relay afterschool plans with your child **PRIOR** to the school day. The office and teachers are getting phone calls and emails from parents daily about what their child should do after school. This is disruptive.

## Message from District Nurse Katrina Powley

### Medication Consent - Even for Store Bought/On the Counter Medication

A friendly reminder that a medication consent form should be completed with parent and healthcare signature for all over-the-counter and prescribed medications given at school. This includes cough drops and throat lozenges.

### Reminder -- Food Allergies

*Hello Kindergarten and First Grade Classroom Families,*

*As a reminder, we have a Kindergarten classmate severely allergic to peanuts as well as First Grade classmates that are severely allergic to egg and egg products in addition to tree nut and peanut products. Therefore, they should not be exposed to any egg, tree nut or peanut products in the classrooms or lunch area in order to avoid life-threatening reactions to these foods requiring Epi-Pen treatment.*

*The Kindergarten classmate and First Grade classmates can develop life-threatening allergic reactions to these products via contaminated hands with both nut and egg remnants which are rubbed on the eyes, nose, and mouth. To maintain the highest level of safety, all of the Kindergarten and First classrooms will be compulsory egg, tree nut, and peanut-free classrooms. No school-based foods containing egg or nut products will be served in any of the Kindergarten and First Grade classrooms.*

*Given the importance of ensuring that there is no exposure to egg and nut food products in the Kindergarten and First Grade classrooms, we request that all Kindergarten and First Grade classroom families refrain from sending any foods with their child to school which contain peanut, tree nut or egg ingredients. We understand that this requires an adjustment for families in the foods that they pack for their students as well as time to plan for alternatives but know that this is an important implementation to minimize the exposure to life-threatening allergens for students with nut and egg allergies.*

*Thank you very much,
