

Robert Down Principal's Update

March 14, 2024

Principal's Message

Hello Otter Families,

Another eventful week here at Robert Down! It began with a heightening of important safety awareness. Our staff, students, parents, and district personnel, along with PGPD, rallied together while being extra attentive to our surroundings and how to keep each other safe. Safety comes first for all of us; hence, the drills and reminders.

We also began by recognizing the importance of the Ramadan tradition and were able to authentically do so with the help, guidance, and wonderful resources provided by parent Zahra Summayya. Informative readings pertaining to Ramadan, its' rich history, and what to expect from our students as they observe March 11 through April 10 helped our Otter population to understand the significance and value of various cultures and practices. Zahra's son, Jibran, is in Mrs. Darnell's second grade class. He will share, via a special presentation with his 2nd grade friends, some enlightening Ramadan activities on March 19 – it's on my calendar!

Robert Down has many fantastic spellers! On Tuesday, March 12 finalists earned the esteemed honor of being able to compete in the Spelling Bee at 6:00 PM next Wednesday, March 25! My calendar is filling up with some fun events!

Let's talk about playground and recess behaviors! The majority of our student Otters display exemplary attitudes and sportsmanship each and every day. A few, however, are experiencing an abundance of energy which is resulting in Spring Fever; and this results in behavior issues. Sometimes students forget to use kind language and sometimes injuries occur. Let's please remind students, at school and at home, to continue enjoying recesses, but do so with kindness and fairness.

Speaking of kindness, our fourth grade classes will perform an inspiring ToolBox Assembly on Friday, March 15 at 10:15 AM. This time, the theme is EMPATHY. When I think of empathy, I think of kind understanding, and so much of that is visible at Robert Down among students and staff. We will also have a special student guest who will read her amazing essay about school safety relative to "Wheels on Campus". Enough said about that; all are welcome to hear about empathy and Jackie's thoughts on how to keep us safe!

I noticed an energetic group of students out in our garden the other day under the direction of Heidi Feldman and Keith Larson. They were sprucing up the grounds, learning how gardens thrive, and planning for the garden's revival. Love that piece of RHD and I can't wait for our classes to begin using its space.

Last, but not least, this week many parents visited our teachers for their children's conferences. Keeping connected with our families about student progress, academic growth, and behavioral expectations helps keep us informed and safe. A big thanks to the parents for attending these conferences and, of course, to the teachers who prepared so thoroughly for these important appointments!

Office Reminders...

1) Please have your child to school on time. Gates open at 8:30 AM. Warning bell rings at 8:40 AM. **Final bell rings and instruction begins at 8:45 AM.** When a student is tardy it is disruptive to the office and classroom. In addition, students miss important information and announcements from their teacher first thing in the morning.

2) Did you know that you can report your child's absence with your ParentVUE app? Simply log into your ParentVUE account to send the office a message about why your child is absent.

*** Ways to report a student absent ***

a) ParentVUE app

b) 24 Hour Absence Line (831) 646-6663

c) Email Annie Deis at adeis@pgusd.org

3) Please make sure to relay afterschool plans with your child **PRIOR** to the school day.

The office and teachers are getting phone calls and emails from parents daily about what their child should do after school. This is disruptive.

Volunteer & Chaperone Clearance

If you plan on being a **VOLUNTEER** on campus or a **CHAPERONE** for a field trip, please be sure you are fingerprint cleared with our district. To make an appointment at the District Office please

contact Bree Nehring by calling 607-8892 or emailing bnehring@pgusd.org

Before coming to campus to volunteer, please check with your child's teacher to schedule a time that works best for them.

Robert Down Birthday Books

This notice is to tell you about our **voluntary** program designed to build the RHD library and foster your child's love of reading.

Here is how it works: To join the Robert H. Down Birthday Book Club fill out the information below (scroll way down to the bottom of this message to print the Birthday Book forms) and deposit it in the Drop Box at school along with a check for \$20.00 (please make the check payable to the P.G.U.S.D. and write R.H.D. Birthday Book on the memo line).

When your child's birthday month comes around Ms. Scanlon will present a new book in honor of your child's birthday. Your child will be the first one to check out and read the book that has been

donated to the library to celebrate their birthday. A bookplate with your child's name will be affixed to the inside cover for all future readers to appreciate.

Hello Robert Down Families,

This year, we have some schoolmates in grades 2 through 5 with life-threatening allergies to eggs, tree nuts, peanuts, and milk requiring Epi-Pen treatment if exposed to eggs and foods containing tree nuts, peanuts, and milk. To maintain the highest level of safety, all of the 2nd grade classrooms will be compulsory egg, tree nut, and peanut-free classrooms. We ask that all Second Grade classroom families not send foods to school with their child which contain tree nuts, peanuts, and eggs.

Mr. Keller will be discussing with all grade levels the importance of being safe at the lunch tables and not playing with milk cartons by purposely pouring liquids onto trays, onto the table tops or ground, and not stomping on cartons to hear them "pop". He will also share with students the importance of using hand wipes or washing hands after eating any food allergy products to keep playground equipment safe for all students.

The best way to determine if foods are allergy-free snacks is to read the label since most brands have a warning statement or allergen list. Be aware of phrases like this:

- May Contain Peanuts
- Processed on shared equipment with Peanuts
- Manufactured in a facility that also processes Peanuts
- Contains Peanut or Peanut Ingredients

In addition, we will encourage students to care for their food properly at school by not sharing food with others, not throwing food, and not carelessly spilling food onto others in order to eliminate food allergy exposure and cross contamination in eating areas shared by multiple grade levels.

The following resource link and attachment can assist you in teaching your children how to support friends with allergies and how to keep them safe.

How To **AVOID** a Food Allergy **REACTION**

The only way to **AVOID** having an allergic reaction is to **AVOID THE FOOD YOU'RE ALLERGIC TO**. That's why it's important to follow these rules.

Wash your hands
before eating.

Don't share
food or drinks.

Read labels twice or
ask an adult. **NO**
LABEL? DON'T EAT IT!

Always tell whoever
is making your food
about your food allergy.

Don't take chances.
If you don't know what's
in your food, **DON'T EAT IT.**

Food Allergy MYTHS

MYTH: Eating a little bit of a food you're allergic to won't hurt.

FACT: For someone with a food allergy, **even a small amount** of a food allergen can cause a **serious allergic reaction**.

MYTH: Peanut allergy is the most dangerous food allergy.

FACT: Any food can cause an allergic reaction. **No single food allergy is more dangerous than another.**

MYTH: Food allergies are not serious.

FACT: Food allergies are **VERY serious**. People with food allergies must be careful about what they eat **all the time** and **always be prepared for an allergic reaction**.

MYTH: A food allergy always develops in childhood, then you're stuck with it for life.

FACT: A person can develop a food allergy **anytime**, even as an adult. **Kids may outgrow a food allergy**, especially allergies to milk, egg, soy, and wheat.
