December 7, 2023

## Principal's Message

Dear RHD Families,

Our Site Council will be changing things up a bit next week by holding an in-person meeting during our PTA Dine Out at California Pizza Kitchen on Wednesday, December 13th from 6:00-7:00. We would like to hear concerns about safety issues or thoughts on improving our site Safety Plan. If you are not able to attend and would like to send feedback, please send me an email or text and I will share your thoughts with our Site Council members and any parents that decide to attend. Look for an RHD Site Council Smore this Monday with more details.

If you want to see an exciting event indoors that has the same energy as any athletic competition, come to PGHS this Saturday for the first annual Lego Robotics competition in the Student Union from 2:00-5:00 PM. (Near the band room and amphitheater off Sunset Ave.) The Otterbots will be showing off their build skills against their Forest Grove peers along with PGMS Breaker Bots friends. Come check out some really cool tech skills this Saturday!

Forest Grove principal, Abbie Arbrun, and I were working on the map and information this evening before we release to families. Look for a Smore sharing this information next Tuesday, after we

have shared it with our staffs and make any amendments.

I will be off campus tomorrow and Monday. Mary Riedel will be back on campus as administrator in charge. For those of you new to RHD, Ms. Riedel is a former administrator at PGMS and Forest Grove Elementary and a staunch supporter to RHD since her daughter is our office manager and her grandchildren are former and current Otters.

Additional information is repeated below for our new families (roughly 20 by Jan. 9th).

<https://docs.google.com/document/d/1RcLzIUIBIQNpBA8gKu35f2xxR-sh6614ktqmXyWe21E/edit?usp=sharing>

If you watch, you will see there are only four members of our Site Council this year. If you have the time once per month, please consider joining us. You do not have to hold a position on the council - we just want more voices to be represented from our families. PTA suggested moving the time later in the evening, so we will start our December 11th meeting at 6:00 PM.

### **Lost and Found**

There are plenty of items in the lost and found. Please take a moment to check out the cubby outside the cafeteria to see if one or more items belong to your student. Items will be donated during Winter Break.

### **Order RHD Spirit Wear!**

Order your student(s) RHD Spirit Wear for the holiday season as well as to stay warm during the annual outdoor program at PGHS Breaker Stadium.

Visit Field of Dreams Designs today: <https://fieldofdreamsdesigns.com/client-shops/RHD-Otters>

### **MONTEREY COUNTY FOOD BANK - FOOD DRIVE**

Robert Down is participating in a Food Drive for the Food Bank for Monterey County. We have several collection barrels on campus for your student to drop off canned and non perishable food items. Please deliver items between now and December 19. Thank you for your donation! For more information please see their website: <https://foodbankformontereycounty.org/>

### **TOY DRIVE**

The PG Kiwanis are collecting new unwrapped toys. There is a collection bin in the Robert Down lobby.

### **NEW WINTER PROGRAM DATE**

Mark your calendars! Our school wide Winter Program has been changed from December 5 to **December 21**. This event will take place at the PGHS Stadium at 6:00 PM. Information regarding logistics for parking and drop off/pick up of student coming next week.

**SCHOOL PHOTOS:** School photos were sent home a few weeks ago. If you're missing anything, or have a question, please call Premier Studios directly at 888-274-3686 or 559-274-9231. Picture retake day will be January 18, 2024.

1) Please have your child to school on time. Gates open at 8:30 AM. Warning bell rings at 8:40 AM. **Final bell rings and instruction begins at 8:45 AM.** When a student is tardy it is disruptive to the office and classroom. In addition, students miss important information and announcements from their teacher first thing in the morning.

2) Did you know that you can report your child's absence with your ParentVUE app? Simply log into your ParentVUE account to send the office a message about why your child is absent.

**\* Ways to report a student absent \***

- a) ParentVUE app
- b) 24 Hour Absence Line (831) 646-6663
- c) Email Annie Deis at [adeis@pgusd.org](mailto:adeis@pgusd.org)

3) Please make sure to relay afterschool plans with your child **PRIOR** to the school day. The office and teachers are getting phone calls and emails from parents daily about what their child should do after school. This is disruptive.

### Volunteer & Chaperone Clearance

If you plan on being a **VOLUNTEER** on campus or a **CHAPERONE** for a field trip, please be sure you are fingerprint cleared with our district. To make an appointment at the District Office please contact Bree Nehring by calling 607-8892 or emailing [bnehring@pgusd.org](mailto:bnehring@pgusd.org)

Before coming to campus to volunteer, please check with your child's teacher to schedule a time that works best for them.

When your child's birthday month comes around Ms. Scanlon will present a new book in honor of your child's birthday. Your child will be the first one to check out and read the book that has been

donated to the library to celebrate their birthday. A bookplate with your child's name will be affixed to the inside cover for all future readers to appreciate.

Hello Robert Down Families,

This year, we have some schoolmates in grades 2 through 5 with life-threatening allergies to eggs, tree nuts, peanuts, and milk requiring Epi-Pen treatment if exposed to eggs and foods containing tree nuts, peanuts, and milk. To maintain the highest level of safety, all of the 2nd grade classrooms will be compulsory egg, tree nut, and peanut-free classrooms. We ask that all Second Grade classroom families not send foods to school with their child which contain tree nuts, peanuts, and eggs.

Mr. Keller will be discussing with all grade levels the importance of being safe at the lunch tables and not playing with milk cartons by purposely pouring liquids onto trays, onto the table tops or ground, and not stomping on cartons to hear them "pop". He will also share with students the importance of using hand wipes or washing hands after eating any food allergy products to keep playground equipment safe for all students.

The best way to determine if foods are allergy-free snacks is to read the label since most brands have a warning statement or allergen list. Be aware of phrases like this:

- May Contain Peanuts
- Processed on shared equipment with Peanuts
- Manufactured in a facility that also processes Peanuts
- Contains Peanut or Peanut Ingredients

In addition, we will encourage students to care for their food properly at school by not sharing food with others, not throwing food, and not carelessly spilling food onto others in order to eliminate food allergy exposure and cross contamination in eating areas shared by multiple grade levels.

The following resource link and attachment can assist you in teaching your children how to support friends with allergies and how to keep them safe.

# How To **AVOID** a Food Allergy **REACTION**

The only way to **AVOID** having an allergic reaction is to **AVOID THE FOOD YOU'RE ALLERGIC TO**. That's why it's important to follow these rules.

**Wash your hands**  
before eating.

**Don't share**  
food or drinks.

**Read labels twice** or  
ask an adult. **NO**  
**LABEL? DON'T EAT IT!**

**Always tell** whoever  
is making your food  
about your food allergy.

**Don't take chances.**  
If you don't know what's  
in your food, **DON'T EAT IT.**

# Food Allergy MYTHS

**MYTH:** Eating a little bit of a food you're allergic to won't hurt.

**FACT:** For someone with a food allergy, **even a small amount** of a food allergen can cause a **serious allergic reaction**.

**MYTH:** Peanut allergy is the most dangerous food allergy.

**FACT:** Any food can cause an allergic reaction. **No single food allergy is more dangerous than another.**

**MYTH:** Food allergies are not serious.

**FACT:** Food allergies are **VERY serious**. People with food allergies must be careful about what they eat **all the time** and **always be prepared for an allergic reaction**.

**MYTH:** A food allergy always develops in childhood, then you're stuck with it for life.

**FACT:** A person can develop a food allergy **anytime**, even as an adult. **Kids may outgrow a food allergy**, especially allergies to milk, egg, soy, and wheat.
