- Valerie Anthony would like to see PGHS' Diversify Our Narrative invited to the next RHD Site Council meeting to hear from their perspective what should occur at RHD to help build a more diverse curriculum; she is also very interested in the book lists Ms. Scanlon is using as well as the art projects being performed in the classrooms. 8. Thoughts on Alternative Butterfly Parade at Breaker Stadium: Fall or Spring? 10-15 minutes

- The group discussed concerns having an in person event regardless of location; however waiting until the spring would be the best move at this time.
- Concerns:
 - Controlling those who enter not being vaccinated.
 - Requiring those who enter to be vaccinated.
 - Would like to see an event occur once 95% of 5-11 year olds are vaccinated in our community.
 - Not a smart move at this moment to hold an event: A hard “No” or soft “Yes” at this time is not in the best interest of students.
 - Staying open to a spring event is preferred.
- Eric Bell suggested a survey go out to gather community feedback.
